

Kaffe Fassett – Abundance Pattern

Made entirely of half square triangles!

Written by Donna Jordan for Jordan Fabrics

Finished Size: 70 x 84"

CHECKOUT OUR  VIDEO TUTORIAL ON THIS PROJECT!

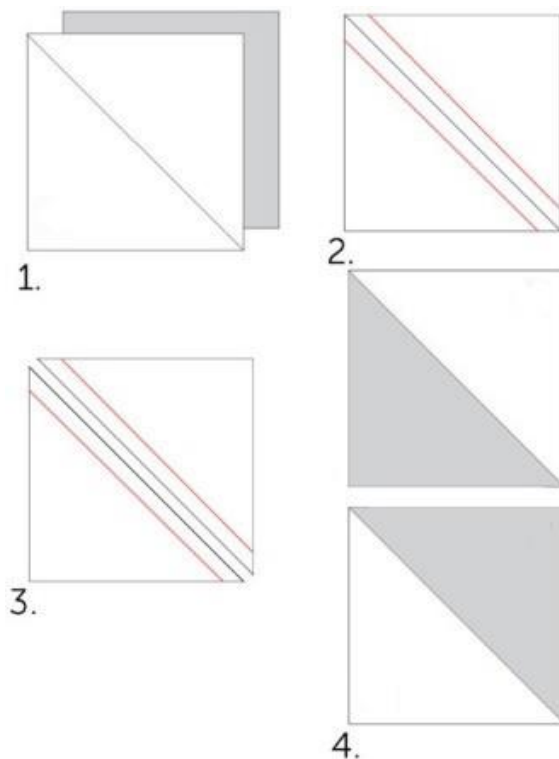

Fabric Requirements:

- ½ yard each of 20 assorted prints – 10 of these prints should be a bit darker, and 10 should be a bit lighter.
 - Binding: 2/3 yard
 - Backing: 5 ¼ yards

Cutting instructions:

1. From each print cut 2 @ 8" WOF. Sub-cut into 6 – 8" squares. Using the quilt diagram below as a guide, take a light fabric A square and draw a diagonal line across the reverse side from corner to corner. Place light fabric A right sides together on a dark fabric A and sew $\frac{1}{4}$ " away from the drawn line. Repeat on the other side of the line. Cut along the drawn line to yield two half square triangles. Open the half square triangle units and press seam allowance toward the darker fabric. Trim "dog ears" if desired. The finished square should now measure $7 \frac{5}{8}$ " square.

1. Repeat the process with the remaining A light and dark squares to make a total of 12 A squares. Repeat the above steps with remaining paired lights and darks. You will now have a total of 120 half square triangle blocks.
2. Using the lettered diagram below, layout your blocks. Sew the blocks into rows, and sew the rows together into your quilt top.

Hint: The upper left quarter of the quilt is the same as the lower right quarter of the quilt, and the upper right quarter is the same as the lower left quarter. You can simply make 2 of each and rotate them to get your complete quilt layout.

Quilt, bind, and enjoy!
